

SCENE 1

Opening Brand Reveal

Duration: 15 seconds

Visual: Pitch-black screen. A subtle swarm of digital particles coalesce in the center. Neon logo reveal of RetailEdge Pro.

Voiceover Script: "Idonneous proudly presents RetailEdge Pro, a cutting-edge AI and workforce development platform designed specifically for the modern retail landscape."

On-Screen Text: IDONNEOUS PRESENTS / RetailEdge Pro / Transforming Retail Through Learning...

Transitions: Particle glow → Scale up zoom → Soft fade-in.

Scene 2: Industry Challenge

Duration: 15 seconds

Visual Sequence: Illustrative cards highlight traditional workforce pain points on the left, while a red-highlighted User Directory displays uncertified field promoters on the right.

Voiceover Script: "Organizations often struggle with inconsistent training, compliance challenges, and limited visibility into workforce readiness."

On-Screen Text: THE RETAIL CHALLENGE

- Training Inconsistency
- Compliance Gaps
- Limited Visibility
- Poor Reporting

Animations & Transitions: Parallax slide left to right, warning borders glow in red around uncertified users.

Scene 3: RetailEdge Pro Solution

Duration: 15 seconds

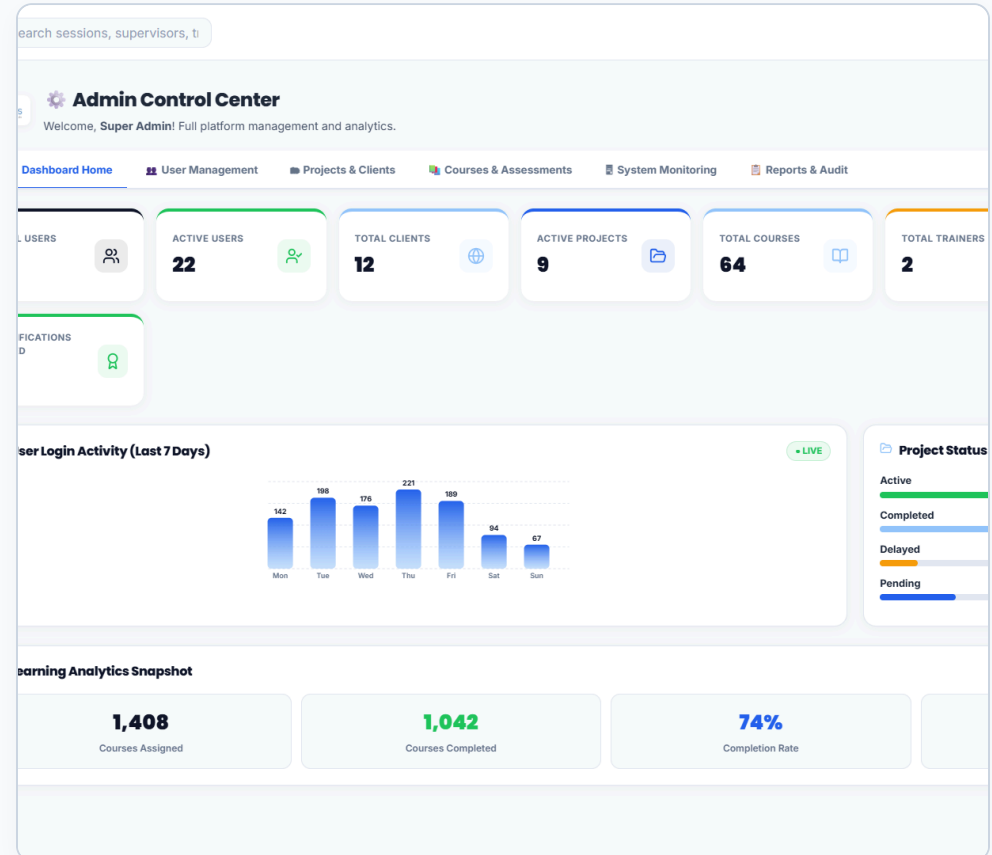

Visual Sequence: A bright blue light wipe sweep reveals the unified solution dashboard. 3D isometric cards for each module spin and lock into place.

Voiceover Script: "RetailEdge Pro unifies learning, assessments, certifications, analytics, and workforce development into one intelligent platform."

On-Screen Text: THE UNIFIED SYSTEM

- Learning Hub
- Assessments Engine
- Live Quiz Arena
- Automated Certifications
- Analytics & AI Insights

Animations & Transitions: High-speed zoom, 3D card rotation lock, blue light wipe.

Scene 4: Login Experience

Duration: 15 seconds

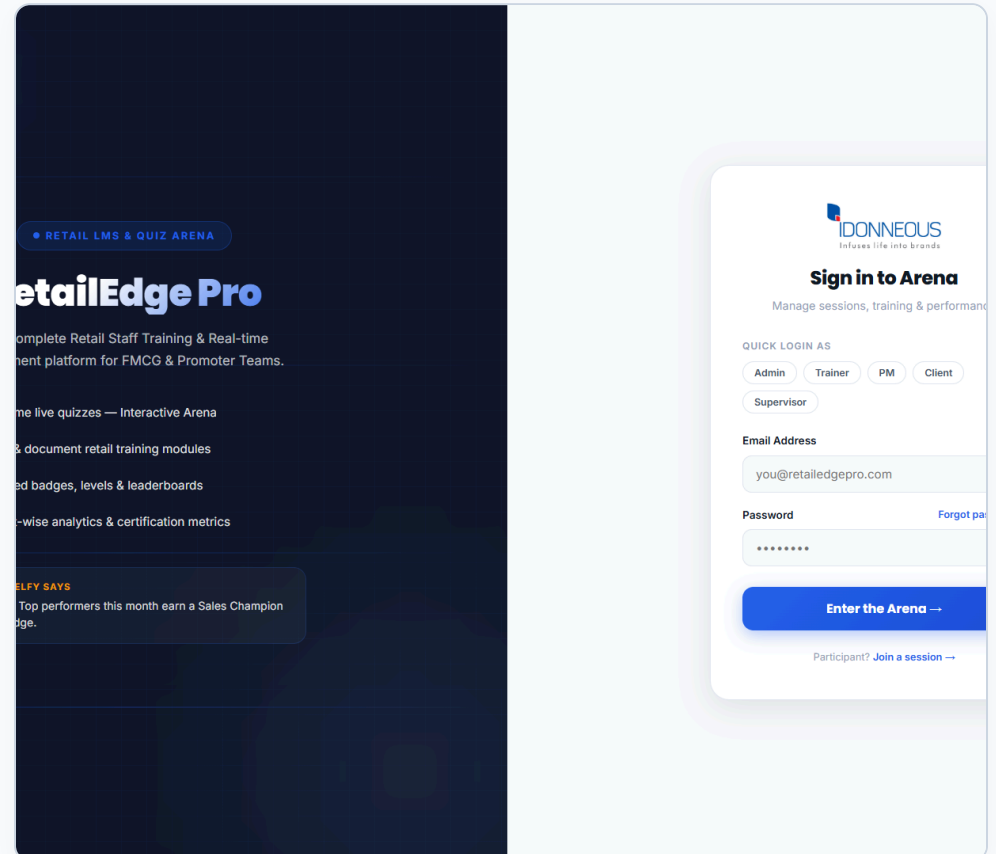

Visual Sequence: Desktop browser shows the Login Page. A cursor moves, types admin credentials with emulated keys, and clicks Sign In.

Voiceover Script: "Secure role-based access ensures every stakeholder experiences a personalized and protected learning environment."

On-Screen Text: SECURE AUTHENTICATION

- Role-Based Access
- SSO Integration
- OTP Verification

Animations & Transitions: Zoom-in to Login Form → Click ripple simulation → Typing cursor animation.

Scene 5: Main Dashboard

Duration: 15 seconds

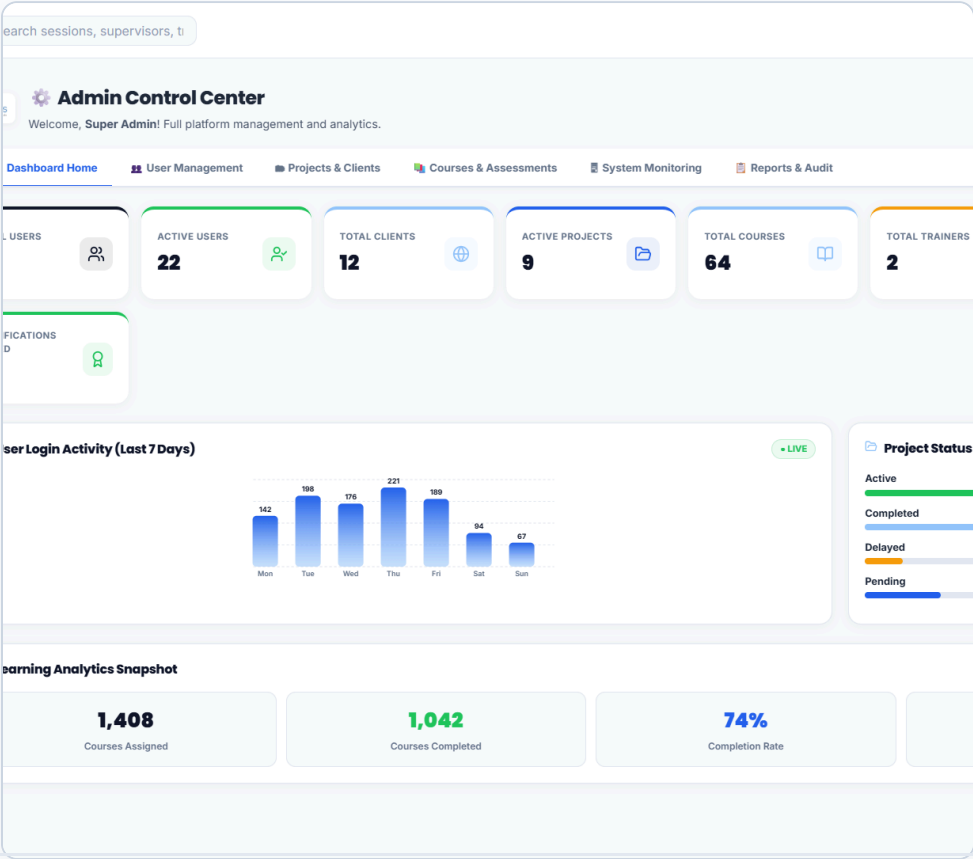

Visual Sequence: Main Admin Dashboard loads. Camera sweeps across three primary KPI cards while circular progress bars and charts draw dynamically.

Voiceover Script: "The centralized dashboard provides real-time visibility into learning performance, certifications, workforce readiness, and business outcomes."

On-Screen Text: CENTRAL CONTROL CENTER

- Real-Time KPI Cards
- Global Synchronization
- Activity Tracking

Animations & Transitions: Slide left to reveal sidebar → KPI numerical counter animation → Chart path growth.

Scene 6: Managing Director Dashboard

Duration: 15 seconds

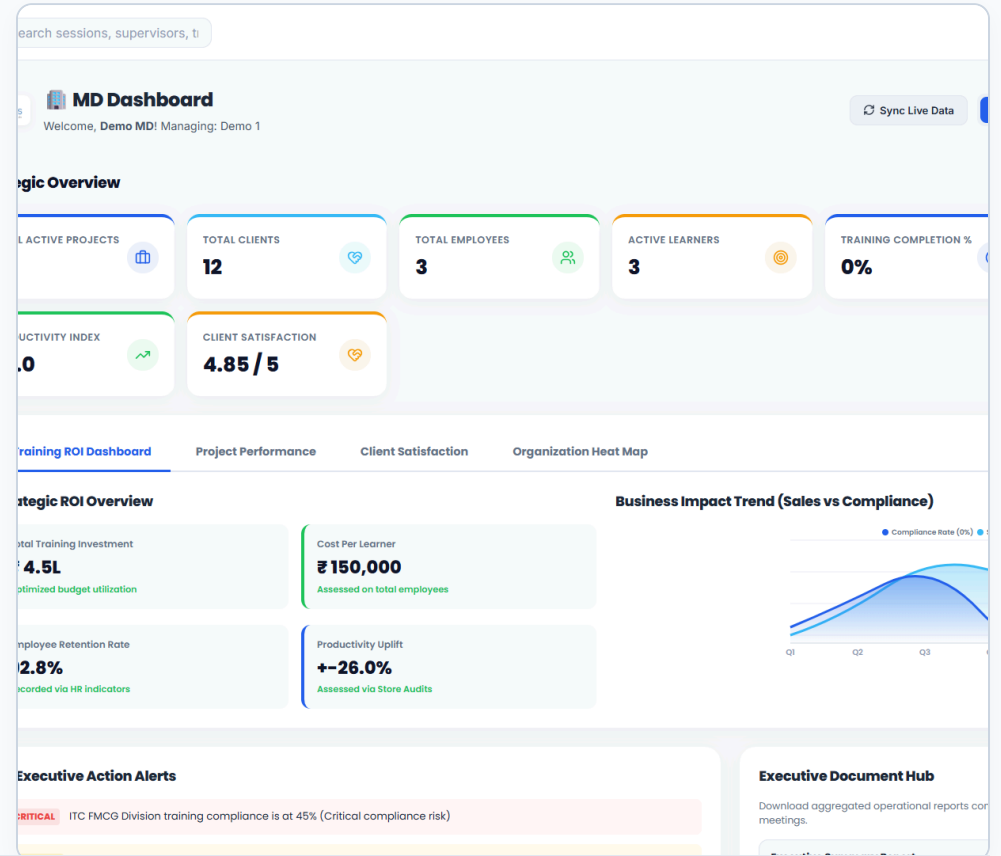

Visual Sequence: Slides down to MD dashboard view. Highlights Strategic ROI panel and regional compliance heatmaps (Green/Orange).

Voiceover Script: "Leadership teams gain complete visibility into organizational capability, training effectiveness, and business impact."

On-Screen Text: EXECUTIVE OVERSIGHT: MD

- Training ROI Dashboard
- Strategic Compliance Maps
- National Capability Index

Animations & Transitions: Vertical scroll → Interactive hover overlay highlighting the regional ROI breakdown.

Scene 7: COO Dashboard

Duration: 15 seconds

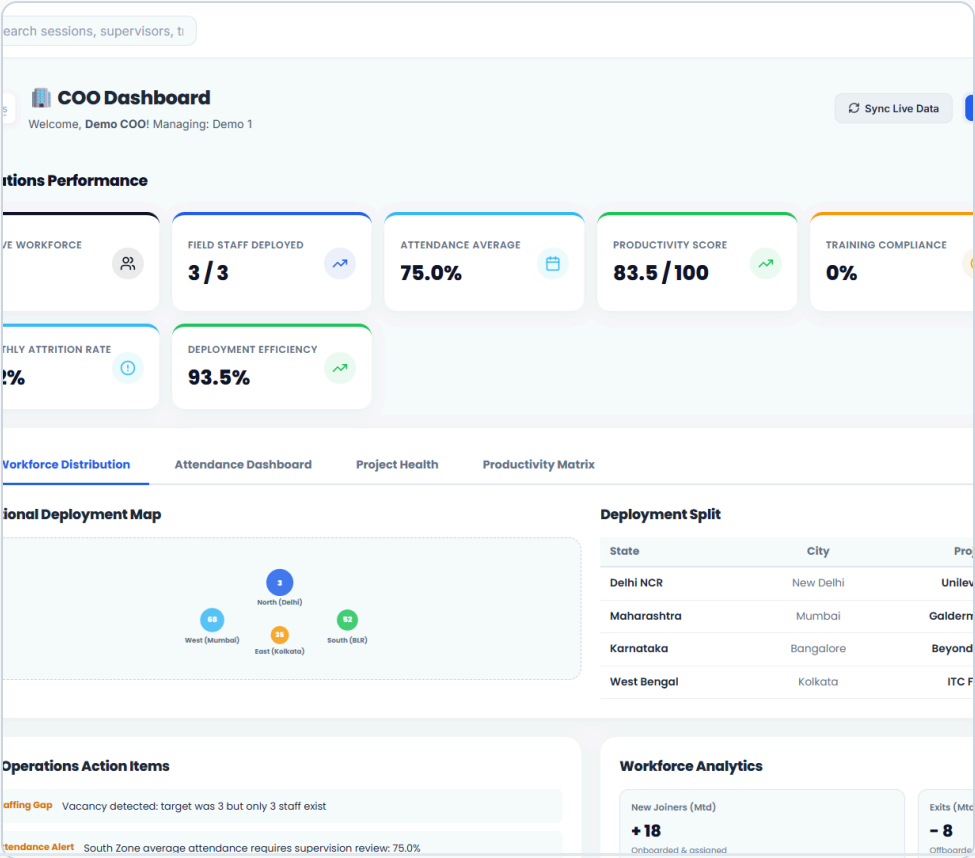

Visual Sequence: Fades to the COO dashboard. Highlights workforce deployment check-in meters and productivity indexes for campaign launches.

Voiceover Script: "The COO dashboard focuses on operational excellence, workforce utilization, and project execution."

On-Screen Text: OPERATIONAL EXCELLENCE: COO

- Workforce Deployment Meters
- Operational Launch Checklist
- Field Productivity Trends

Animations & Transitions: Cross-fade → Slider drag animation showing productivity metrics toggle.

Scene 8: VP Operations Dashboard

Duration: 15 seconds

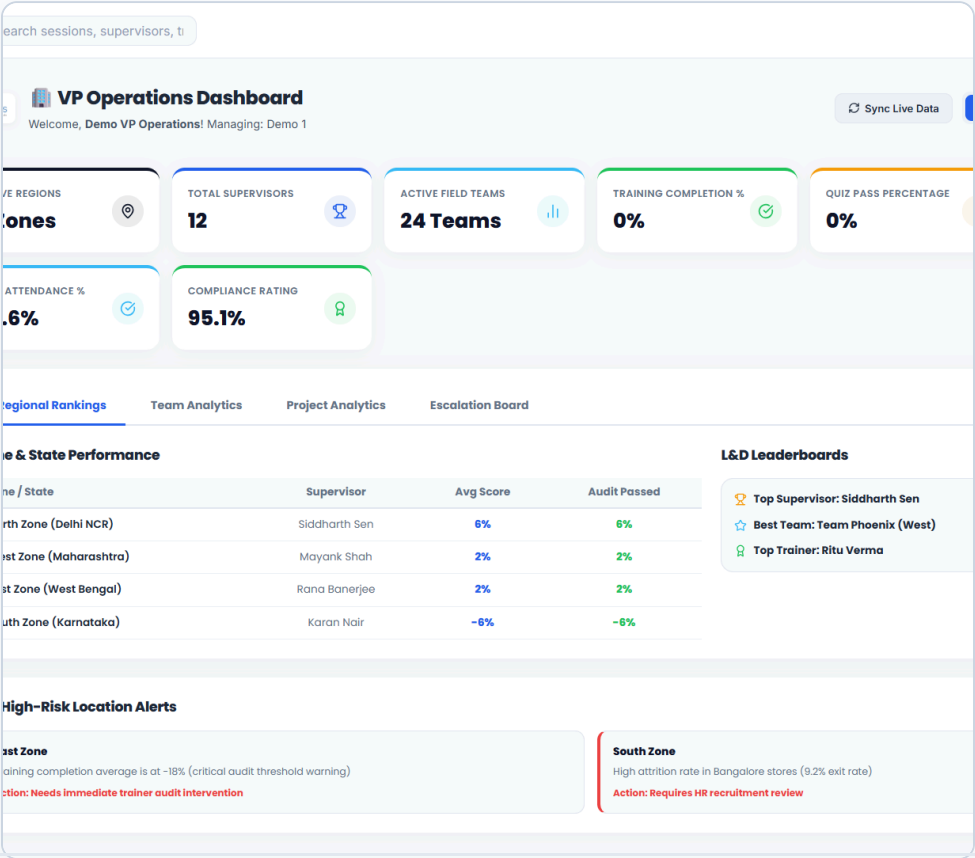

Visual Sequence: Lateral slide reveals VP of Operations dashboard. Highlights regional team rankings and supervisor check-in frequency logs.

Voiceover Script: "Regional leaders can monitor performance across locations, teams, and operational programs."

On-Screen Text: REGIONAL CONTROL: VP OPERATIONS

- Regional Performance Charts
- Zone Compliance Tracker
- Supervisor Check-In Logs

Animations & Transitions: Lateral slide → Dial rotation check → Hover glow on top performing zone.

Scene 9: Course Library

Duration: 15 seconds

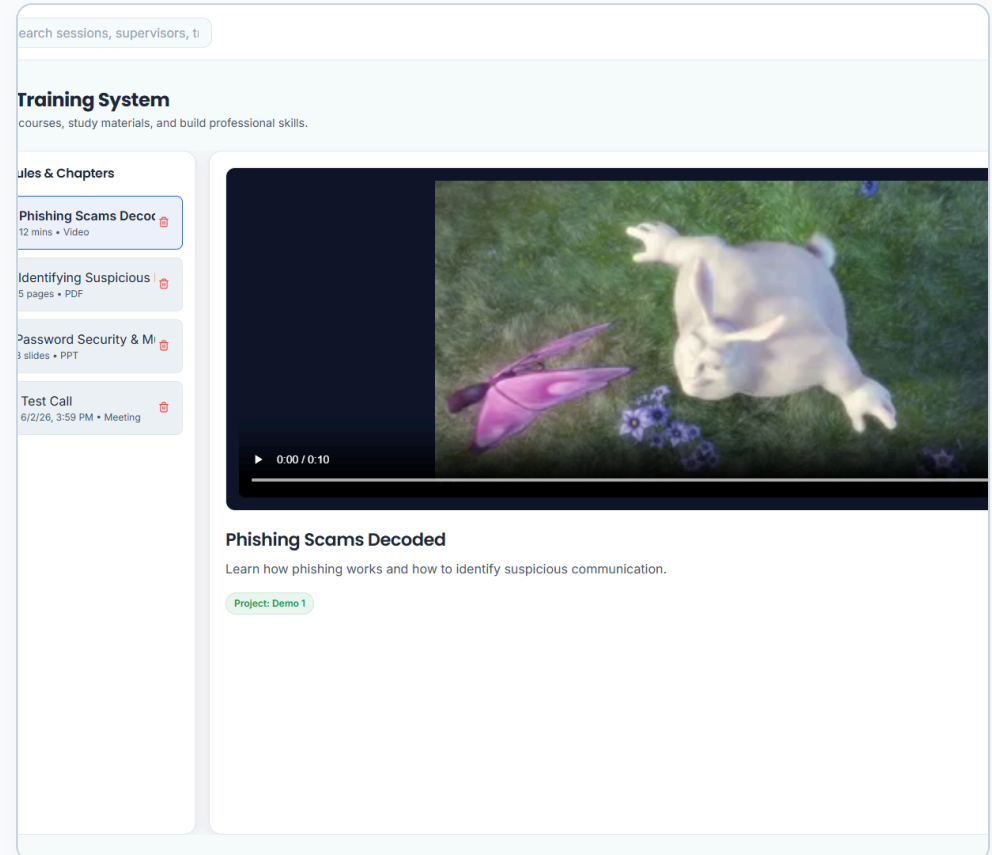

Visual Sequence: Transition to Trainings page. Responsive catalog displays retail courses with high-res cover cards and completion parameters.

Voiceover Script: "Learners access a structured library of training content designed to build capability and drive performance."

On-Screen Text: STRUCTURED LEARNING PATHS

- Dynamic Course Library
- Media Support (Video/PDF/PPT)
- Auto-Assigned Learning Paths

Animations & Transitions: Vertical parallax grid display → Card hover float animation.

Scene 10: Course Player

Duration: 15 seconds

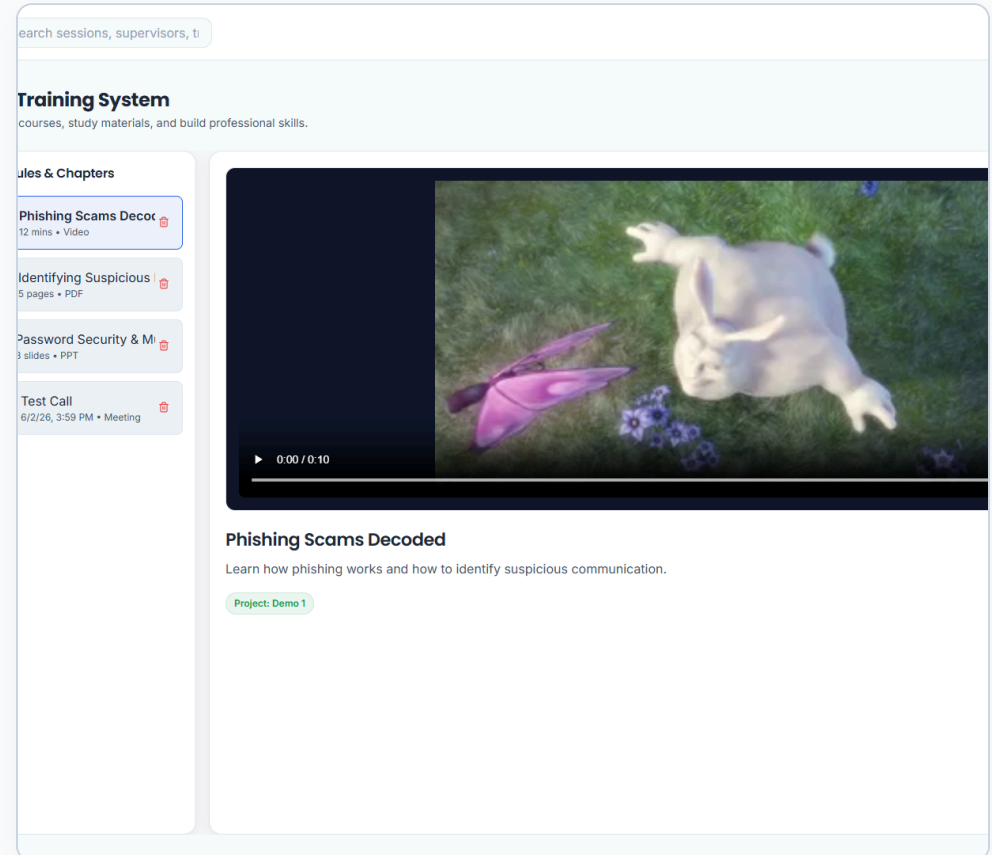

Visual Sequence: Zoom into active Course Player. Video plays showing retail guidelines, progress bar advances, and sidebar notes are edited.

Voiceover Script: "Interactive learning experiences increase engagement and improve knowledge retention."

On-Screen Text: INTERACTIVE COURSE PLAYER

- Multi-Format Video Player
- Interactive Slide Notes
- Progress Auto-Save

Animations & Transitions: Zoom-in to video frame → Progress bar smooth fill from 20% to 45%.

Scene 11: Assessment Engine

Duration: 15 seconds

Visual Sequence: Trainer creates standard MCQ question. Question settings panel shows timer configuration, MCQ type selection, and answer keys.

Voiceover Script: "The assessment engine accurately measures learning outcomes and identifies skill gaps."

On-Screen Text: ROBUST ASSESSMENT ENGINE

- Question Builder (MCQ/Poll/TF)
- Dynamic Timer Settings
- Scenario-Based Evaluation

Animations & Transitions: Fade-in overlay → Question input text simulation -> Timer dropdown click.

The screenshot displays the 'Builder' interface for creating a quiz. At the top, there is a search bar with the text 'earch sessions, supervisors, ti'. Below this, the 'Builder' section is titled 'Builder' with the subtitle 'nteractive learning sessions.'. The interface is divided into two main panels. The left panel, titled 'Quiz Details', contains three input fields: 'Quiz Title', 'Description', and a dropdown menu currently set to 'No Project (Global) --'. The right panel, titled 'Questions', is mostly empty and features a large circular button with a plus sign in the center. Below this button, the text 'Select or create a question to start editing' is displayed. At the bottom of the left panel, there is a dropdown menu labeled 'Add Question...'.

Scene 12: Quiz Experience

Duration: 20 seconds

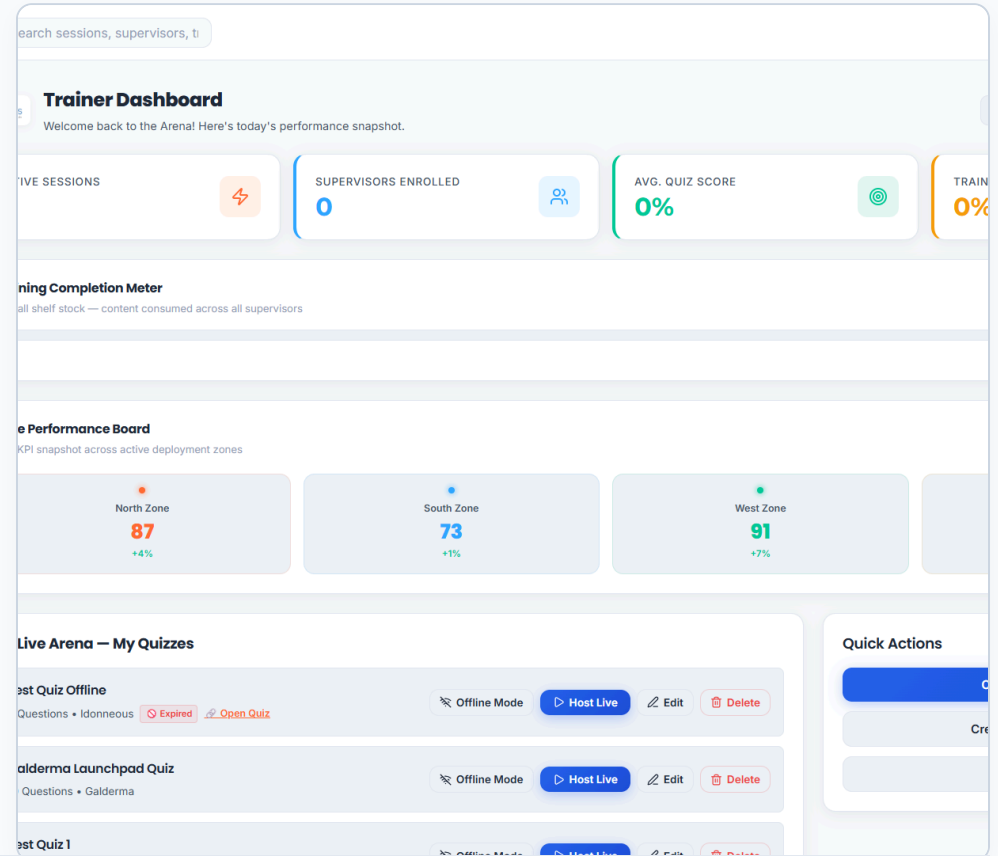

Visual Sequence: Transitions to Live Host Room. Active quiz with real-time participation bars updating and live scoreboard moving.

Voiceover Script: "RetailEdge Pro transforms assessments into engaging experiences through real-time participation, live rankings, and interactive learning."

On-Screen Text: RETAILEDGE PRO QUIZ ARENA

- Live Multiplayer Quizzing
- Real-Time Leaderboards
- Gamification: Badges & Levels

Animations & Transitions: Fast slide transition → Rapid vertical leaderboard item swap → Score counter animation.

Scene 13: Certification Journey

Duration: 15 seconds

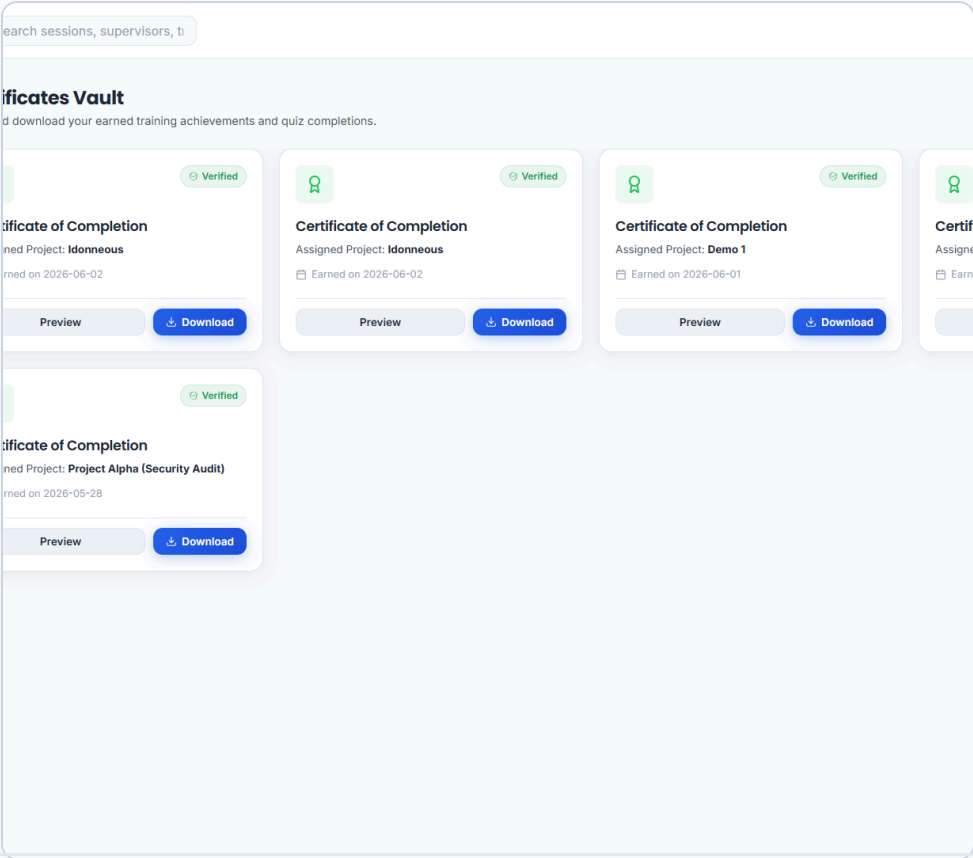

Visual Sequence: Sleek golden-bordered certificate of completion is rendered. Pans over verification QR code and signature fields.

Voiceover Script: "Automated certification workflows simplify compliance and validate workforce capability."

On-Screen Text: AUTOMATED CERTIFICATION

- Automatic Certificate Issuance
- Expiry & Renewal Tracking
- QR Code Validation Links

Animations & Transitions: Radial gradient shine sweep across card → QR Code zoom indicator.

Scene 14: Program Manager Dashboard

Duration: 15 seconds

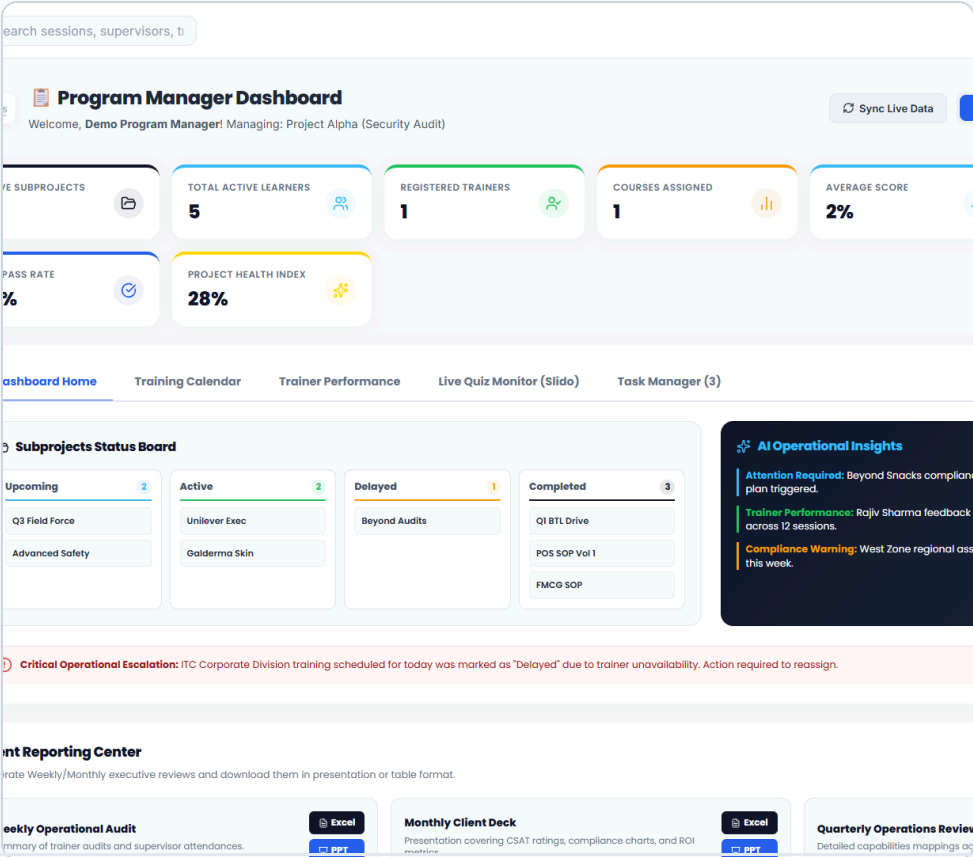

Visual Sequence: Focuses on team roster grid, showing enrollment meters, user assignments, and project details (Project Alpha Unilever).

Voiceover Script: "Program Managers oversee projects, users, trainers, schedules, and client reporting from a single control center."

On-Screen Text: OPERATIONS CONTROL: PM

- Project & Campaign Creation
- User/Trainer Assignments
- Real-Time Roster Verification

Animations & Transitions: Horizontal slide → Highlight on "Add User to Project" modal.

Scene 15: T&D Manager Dashboard

Duration: 15 seconds

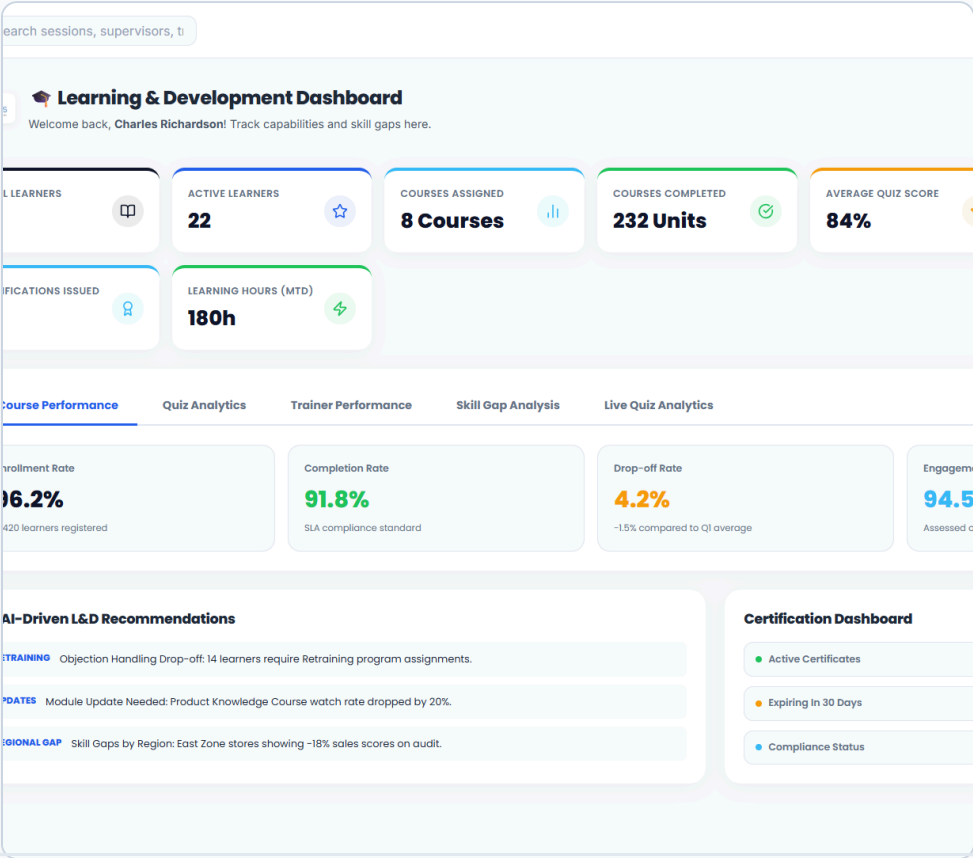

Visual Sequence: Transitions to T&D dashboard. Displays regional skill gaps bar chart, highlighting drop-off rates on object handling.

Voiceover Script: "Training leaders gain powerful insights into learning effectiveness and workforce development."

On-Screen Text: SKILL DYNAMICS: T&D MANAGER

- Strategic Skill Gap Analysis
- Trainer Effectiveness Indexes
- Targeted Course Recommendations

Animations & Transitions: Zoom-in to bar chart → Dotted line indicator highlighting skill drop-offs.

Scene 16: Supervisor Dashboard

Duration: 15 seconds

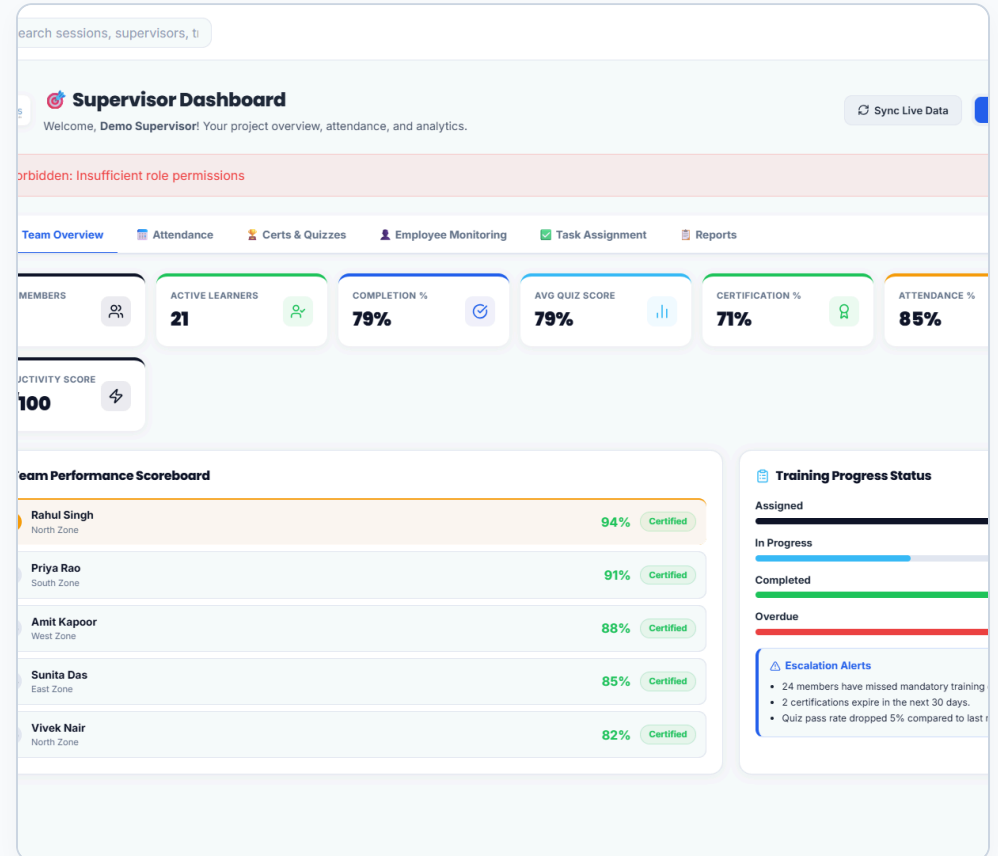

Visual Sequence: Fades to supervisor panel. Displays store attendance logs, check-in markers, and team completion meters.

Voiceover Script: "Supervisors can monitor team readiness, identify learning gaps, and drive performance improvement."

On-Screen Text: FIELD AGILITY: SUPERVISOR VIEW

- On-Store Attendance Tracking
- Team Completion Meters
- Certification Expiry Reminders

Animations & Transitions: Swipe-left → Glowing status badges.

Scene 17: Analytics Center

Duration: 15 seconds

Visual Sequence: Cuts to Reports Center. Admin clicks "Export report", showing menu dropdown with Excel, PDF, and PowerPoint options.

Voiceover Script: "Advanced analytics convert learning data into actionable business intelligence."

On-Screen Text: ANALYTICS CENTER

- Unified Assessment Metrics
- Multi-Format Export Options
- Historic Compliance Logs

Animations & Transitions: Cursor click simulation → Slide-down export menu
→ Pulse effect on Excel button.
